### TASTING NOTES

**drinksbiz Magazine, December 2024**

"This spirit is produced by the Bañuelos family, who have been distilling since the 1970s. Because it is made five minutes away from the outskirts of Tequila town it falls outside the Denomination of Origin for tequila but is a classic style in every sense except the regulatory name. NODO Blanco has a crisp and vibrant agave character with fresh, earthy flavours. Smooth and approachable."
