TASTING NOTES

Distillery notes

"Altos Reposado tequila is made from 100% blue agave grown in the highlands of Jalisco, Mexico and aged in former whiskey barrels for 6 to 8 months for good measure. Sweet and citric with notes of vanilla and wood, it's definitely worth the wait. Trust us."

drinksbiz Magazine, February 2019

"Olmeca Altos tequilas are produced in Jalisco, using agave from the Los Altos region, which is known for growing sugar-rich plants. The agave is harvested and processed using traditional methods, with brick ovens and a 2-ton tahona stone doing the final work before double distillation in small-batch copper stills.

Ageing for 6-8 months in white oak gives the Reposado expression of Olmeca Altos its woody aromas with a hint of sweet orange and vanilla. It is rounded and full on the palate with more sweet orange, cooked agave and subtle wood character."
