Distillery notes

"Our Award winning Gin is small batch distilled with Great Barrier Island Manuka & Bush honey. Crafted in a copper still, off grid, 5 hours by barge off the coast of New Zealand. Our unique bottles designed to reflect a Kina shell -are all made in New Zealand using using a sustainable glass production."

Sarah Miller, drinksbiz Magazine, October/November 2024

"Island Gin is presented in a beautiful kina inspired recycled glass bottle. It's a citrus forward gin with floral notes alongside juniper and coriander spice. The use of mānuka and bush honey blends from the distillery's home on Great Barrier Island add depth and a rounded mouthfeel."
