TASTING NOTES

Brewery notes

"The Mangawhai bowl bash is all about some of the world's best skaters showing of their smooth flow, with slick transitions and show stopping style.

This Oat Cream Hazy IPA was brewed in collaboration with the Bowl Bash keeping the same philosophy in mind. This beer delivers our smoothest malt base loaded with oats and enhanced by creamy lactose which seamlessly flows into a dynamic tropical hop combo featuring Sabro, El Dorado and Riwaka for a dank and decadent flavour experience."
