TASTING NOTES

Pallini Limoncello is the most Italian of drinks. Its delicious natural zest comes from the fragrant peel of Sfusato lemons handpicked on the Amalfi coast, and infused for up to eight months in the finest pure spirit. The result is an intense burst of smooth and tangy flavours. Pallini Limoncello is the world's No. 1 super-premium limoncello brand and it has won a host of international awards, including gold for the design of the screen-printed frosted bottle, which is as stylish as the sumptuous lemon liqueur it holds

A surprisingly powerful nose, combined with invigorating lemon notes, gives way to a long, complex palette of aromas, expertly anchored in alcohol that is always present but never overpowering. A full, rich mouthfeel awakens the senses with delicious, chewy flavours of freshly zested lemons developing a hint of soft, earthy flavours beyond, and a faint indication of dried spices. The finish is pleasant, never cloying, and far longer than you would expect from a limoncello.
