TASTING NOTES

Brewery Notes

"Limited Release 24 is a Coconut Hazy IPA brewed with raw coconut and select hop varieties, presenting luscious tropical and stonefruit characters along with pleasant coconut notes and a refreshing finish. Breakfast bowl in a beer.

Look: Hazy pale yellow. **Aroma:** Mango, passionfruit, coconut. **Taste:** Coconut, tropical, stonefruit, refreshing finish.

An ongoing series of occasional one-off releases inspired by the nice ideas brewed at the Parrot Dog Brewery in Lyall Bay."
