TASTING NOTES

Brewery Notes
"They say its wings bring thunder and its eyes flash lightning, but the Thunderbird’s intensity is benevolent, its appearance a good omen. This bright IPA borrows its name to give a fresh retelling to a familiar story by keeping things lean, lucid and enlivening. Its dazzling tropical character comes thanks to modern hop varieties from North America, where these tales were first told."

Michael Donaldson, drinksbiz Magazine, April/May 2024
"Citrus and tropical aromas rise up to greet you as soon as you crack the tab on this new release from Parrotdog. Orange, tangerine, mango and pineapple are all in the mix. Pouring a bright gold, this IPA is juicy on the palate too, with more tropical and citrus character and balanced bitterness."
