TASTING NOTES

Brewery Notes

"A good watchdog is the perfect companion, a relaxed and friendly presence but always alert and attentive. It's a rare mix of traits but our brewers have taught a similar trick to this Watchdog, a refreshingly non-alcoholic IPA, with a pale malt backbone and lively hop flavours of citrus and stonefruit, but no bite."

drinksbiz Magazine, December 2023/January 2024

Easily one of the best non-alc beers we have tried in recent times. This new release from Parrot Dog is full of lively hop aroma from the moment you open the can. Pours golden in the glass and is lush with citrus and stonefruit flavours over a pale malt backbone. An impressive addition to the category. Recommended.
