TASTING NOTES

A white wine grape variety from Portugal that produces wines with high acidity and citrus flavours. Textural, lively, great with or without food.

Winery notes (2024 Vintage)

"Patch Wines is a collaboration between Kirilly Gordon and Matt Talbot, when a patch of vines laden with ripe grapes turned up with no home to go to, it seemed like an excellent idea to turn them into wine. We spend as much time as we can in the vineyard to shoot thin and fruit thin to ensure the best quality we can. We pick most of the grapes with friends to help, we destem and press in a tiny press in the vineyard shed and have small fermenting pots and a Speidel Egg.

24 hours skin contact before basket pressing and racking to stainless steel for a long, slow cool ferment. A delicious glossy textured wine underpinned by lemon zest raciness. Hints of dried oregano with spiced, poached white stone fruits."
