TASTING NOTES

Pirathon produce a range of full-bodied Barossa Shiraz. They are Shiraz specialists. That's all they do, and they do it very well!

This is one of our most requested red wines and we certainly know about it when we don't have it in stock. Thankfully the importer has just landed some fresh stocks of the excellent 2021 vintage in time for winter and incredibly we can offer it at the same outstanding hot price.

Pirathon Silver Label (previously known as Pirathon Shiraz) has won many awards throughout the years and the 2021 vintage maintains that level of premium consistency, in fact we think it's the best release yet and agree with Sam Kim's assessment that this is "Flavoursome and delectably tasty".

Grapes were carefully selected and aged in new and seasoned oak barrels before being carefully blended. The resulting wine is plump, rich, full-bodied, and generously flavoured with complex, ripe dark fruits.

Winery notes (2021 Vintage)

"Pirathon Silver Label (previously known as Pirathon Shiraz) has won many awards throughout the years and the 2021 vintage maintains that level of premium consistency. Oak is at one with the wine blending harmoniously the sweetness and textures with spice and sandalwood characters. Made for immediate enjoyment or cellar for the next decade.

The Pirathon Silver Label Shiraz is for those who want to enjoy a Shiraz in an intimate or higher profile occasion where something reliable but with a wow factor is in order. Pirathon Silver Label is the solution to the challenge of getting wow

factor for a reasonable price with an award winning wine with a mid-range price.

Enticing aromas of blackberry compote, dark chocolate, and hints of star anise and black pepper. A bold and expressive wine that showcases the richness of the 2021 vintage. The palate is layered with intense flavors of ripe blackberry, dark cherry, and plum, complemented by notes of mocha and subtle hints of vanilla from oak aging. The tannins are firm yet velvety, providing excellent structure and a long, satisfying finish."

5 Stars & 95/100 Sam Kim, Wine Orbit, December 2022 (2020 Vintage)

"Richly fruited and instantly appealing, the enticing bouquet shows black/blueberry, rich floral, vanillin oak and warm spice aromas. The palate displays excellent weight and succulent fruit intensity, wonderfully complemented by plump mouthfeel and layers of silky tannins. Flavoursome and delectably tasty. At its best: now to 2033."
