TASTING NOTES

Poderi dal Nespoli is nestled in the Bidente Valley, a Bio-Symbiotic district in Italy, gracing the hills of Forlì at 177 meters above sea level, an area that seamlessly connects the Apennines to the Tuscan border and the Riviera Romagnola. Established in 1929 the Ravaioli family now manage this historical estate with Mondodelvino Group and employ state-of-the-art technologies to bring artisanal Romagna wines to the world.

Pinot Bianco is a white wine grape and a genetic mutation of Pinot Noir. The eponymous Dogheria vineyard occupies an ideal position for cultivating Pinot Bianco, benefiting from intense ventilation that fosters significant day-to-night temperature variations crucial for the development of its distinctive sensory profile and retaining freshness. Hand harvested and fermented in stainless steel to retain varietal and terroir typicity it has an aroma of jasmine, peach and citrus with mineral notes from the soil leading to a rich, ripe, dry palate structure with salivating acidity perfect to match with raw seafood, sashimi, wok-cooked vegetables and white meats.
