### TASTING NOTES

#### Winery notes (2022 Vintage)

"Uriel, the archangel of repentance. Uriel played a very important role in ancient texts as the rescuer of Jesus' cousin John the Baptist from the Massacre of the Innocents ordered by King Herod. The translation of Uriel is 'God of Light.' Uriel was the angel who checked each of the doors during the Passover in order to ensure safety for God's people. Grillo is a very resilient grape and one that withstands a lot of heat and wind on Sicily. It is probably best known as the foundation for Marsala but in its 'dry' form has many interesting characteristics. It is the most important white grape on Sicily and therefore the 'principal light.'

Golden straw colour with bright yellow hues. The aromas creep from the glass with white peaches and white plums combined with scents of wildflowers and a hint of mango. There is a breadth to the weight on the palate retaining freshness though. It is well-balanced and medium-bodied with a soft palate, fresh mineral notes and tropical fruit characters and a very high-toned, fresh finish."
