Distillery notes

"Quick Brown Fox is a coffee liqueur, hand crafted from organic coffee with a clever hint of cinnamon in its tail. Made in Dunedin, New Zealand to be the perfect evening companion. Best enjoyed as a digestif, neat or over ice. Quick Brown Fox may also be enjoyed in decadent desserts and cunning cocktails. In making Quick Brown Fox we have selected coffee from three organic coffee farms. Each coffee is specially roasted by hand to bring out its best flavour. There is nothing artificial in Quick Brown Fox. As a result, flavour may vary subtly from batch to batch but the unadulterated quality will always remain."
