TASTING NOTES

Distillery notes

"Rakiura rain. Rakiura botanicals. Rakiura, bottled. A traditional dry gin with the spice of rainforest botanicals, hints of fresh citrus peel, and cassia bark. Locally foraged manuka, rimu, and horopito dance with juniper and coriander seed in a shower of the freshest rainwater on the planet.

As New Zealand's southernmost distillery, we produce boutique spirits that celebrate Stewart Island - our rich culture, colourful histories, and pristine environment - in every sip. We cannot put into words how much we love our stormy and isolated island at the bottom of the world - so we've bottled it to share with you."
