### TASTING NOTES

#### Winery notes (2024 Vintage)

"We absolutely love a dry Pinot Gris with a bit of skin contact and lots of texture. Serve in a standard white wine glass, and don't drink too cold. Aromas of peach, mango, and citrus with wildflowers. Drink now and every day it feels like summer... or on days you wish it did.

You couldn't ask for better weather. It was textbook. Beautiful. The kind of season you dream about as a winemaker. Spring was a bit cool and wet during flowering, leading to lower yields. Summer was warm and sunny, followed by a long dry autumn. The drought made for smaller berries and concentrated flavours, resulting in an aromatic, punchy wine.

Fermented in 50% fermented in neutral barrel at a warmer temperature to build texture and 50% in stainless steel at a cooler temperature to build aromatic intensity. Aged in old French oak barrels and steel tank for 5 months."
