TASTING NOTES

Spirit enthusiasts Rogue Society have surged back into contention with a new gin.

Our liquor landscape has seen brands come and go, but few leave the indelible mark Rogue Society has. The whispers have been confirmed: this popular spirit has made its grand reappearance. Courtesy of the visionary Scapegrace Distilling Co., Rogue Society has historically represented the pinnacle of Kiwi craftsmanship in the spirits realm. This isn't merely a return, it's a statement, challenging global brands, asserting that we're not just contenders, but leaders in the premium spirits arena.

The meticulous distillation process sets Rogue Society apart. Its Signature Gin boasts a harmonious blend of juniper with touches of local Gisborne grapefruit. Juniper forward, with fresh coriander, refreshing citrus and floral angelica, followed by creamy preserved grapefruit and orris on the finish.

Sarah Miller, drinksbiz Magazine, October / November 2024

"A fresh, vibrant gin with juniper upfront, leading to a palate full of fresh coriander, citrus, floral angelica, preserved grapefruit and delicate orris finish."
