TASTING NOTES

Brewery Notes

"The Aotearoa Series is the first of its kind to celebrate exclusively New Zealand hops, malts and yeast. It's about the people that bring beer to life - the farmers, the growers, and innovators. Always a different beer and always the best of Aotearoa.

Intense tropical and citrus aroma from Clayton's Motueka hops - extreme freshness from this Tasman all-rounder. Part of our series celebrating extraordinary local farmers and innovators."
