TASTING NOTES

Three New Zealand friends launched Rogue Society Distilling Co. in 2014 and its two gin expressions quickly became some of the top sellers in New Zealand, also garnering international awards. A trademarking issue with a US brewery meant Rogue Society had to change its name to enter the European market and in early 2018 its gins were renamed 'Scapegrace', which is an 18th century word for 'rogue', 'free-spirit' and 'libertine'.

Big, fresh nose with pronounced aromatic intensity. A place where juniper, orange peel, and deep spice dominate. Vibrant in the mouth. Citrus and juniper enjoy prominence. Smooth but crisp on the palate. Long, and flavour filled finish.

Sarah Miller, drinksbiz Magazine, October / November 2024

"Using 12 botanicals and Southern Alps water, this gin has intense aromas of juniper, orange peel and deep spice. Juniper and citrus lead on the palate, which is crisp but smooth."
