TASTING NOTES

Cidery notes

"Everyone needs at least one Bad Habit and often having more is completely acceptable. Made by the most irrepressible Scoundrels & Rogues in North Canterbury, the Bad Habit you are in possession of is our seasonal blend of cider barrels; designed to be crisp, yet full of character, and more than a little interesting.

This particular Bad Habit is the product of wild ferment, and has spent an average of 2 years lurking in barrel. It's a little bit funky too, but hey, this is a Bad Habit you don't have to be ashamed of. If your Bad Habit offends someone, it's not your problem. They might even have one too."
