TASTING NOTES

Distillery notes

"Sea Lovers Gin is a distinctive and delicious contemporary gin that subtly marries marine ingredients with more traditional botanicals, conjuring the essence of the sea into your glass. The wild harvested North Island kelp gives a lovely umami complexity to the nose and serves as a counterpoint to the brightness of the lime and rosemary. The palate is full and crisp with the oyster shells bringing a sophisticated minerality.

Himalayan and Macedonian Juniper blend

North Island Kelp

Waiheke Oyster Shells

Home grown Rosemary

Hawkes Bay Lime

Coriander

Angelica

Cassia
