TASTING NOTES

Chenin Blanc is a bit of a hidden gem in New Zealand, making up less than 1% of what's produced, so it's not something you come across every day. That's why we were pretty excited to get our hands on some North Canterbury fruit at a great price and turn it into our own label Secret Source 'Small Batch' 2025.

It's bright, fresh and seriously easy to enjoy. Think crunchy green apple, ripe pear and a squeeze of citrus. The palate is dry and crisp with that mouth watering finish that makes you go straight back for another sip.

This is the kind of wine you'll want chilled and ready to go at all times. Perfect for a casual glass, great with food, and just as good in the sun with friends.

It is a small batch though, so it won't be around for long. Grab a few bottles while you can.
