TASTING NOTES

Winery notes (2022 Vintage)

"Pale gold in the glass with initial aromas of lime, mandarin, peach and aromatic lily with a subtle herbal undercurrent reminiscent of aniseed. Complex and very youthful. An energetic and extremely youthful palate that shows delicate acidity balanced by an intriguing grip on the finish. Great drinking upon release but will reward those who leave it under the stairs for several years.

This established north facing vineyard receives all day sun, and coupled with cool Marlborough nights, makes for ideal cool climate growing conditions for our Riesling fruit. The free draining, deep alluvial silt loam soil profile, overlying a clay sub soil, means that very little irrigation is required, even in dry years. Ashmore Vineyard was planted in 1997 with conversion to organics beginning in 2009, and full certification achieved in 2012. Riesling fruit from this vineyard offers a vibrant aromatic, citrus profile, with notes of red apple, melon and fresh herbs.

Hand-picked and whole bunch pressed slowly to tank. Settling for 3 days before racking to tank for ferment. This wine was inoculated and went through a cool ferment before ageing in tank for one year prior to bottling."

Rated Excellent & 93/100 Cameron Douglas MS, September 2025 (2022 Vintage)

"Aromas and flavours of lime and lime skin, white peach and mineralised wet stone ideas. There's a lick of kerosene then a rush of white flowers and apple. Off-dry in an Auslese style with a contrasting backbone of acidity with core fruit and mineral

Reviews for the 2021 vintage below...

95/100 Erin Larkin, RobertParker.com, Wine Advocate, December 2024 (2021 Vintage)

"The 2021 Ashmore Vineyard Riesling is ultra elegant and refined, with layers of cold buttered toast, marmalade, quince paste, elderflower cordial, lime oil, crushed rocks and brine. In the mouth, the wine has all the appearance of being light and zingy, and the length has attractive persistence. This is a beautiful wine. It is wholly integrated and graceful."
