TASTING NOTES

Winery notes (2024 Vintage)

"*The Queen of Cups* rules the emotional realm. She is the woman whose throne is right on the ocean's edge, and water is typically symbolic of the unconscious and feeling. Her position at the shore indicates that she lies between land and sea, the place where feeling and thought exist. The Queen of Cups acts as a mirror and reflects the depths present in others, so they see themselves in a new light. Most times, the Queen of Cups can also represent the trusted inner voice you have within you. She seems to say that you should take the time to focus on your emotional health before trying to help others. Self-love creates compassion.

Crisp and refreshing. This is a bone dry and mineral Chenin with a rich briny texture. Tropical stone fruit, rock melon and honey dew on the nose with racy acidity and a saline finish. Crisp, refreshing with body and texture to keep it balanced.

Biodynamically grown by The Wrekin vineyard in Marlborough. Hand-picked and whole bunch pressed into tank to settle overnight. Transferred into old neutral puncheons for a long wild fermentation. Full malolactic fermentation and matured for 12 months before bottling. Certified organic fruit. Unfined. Unfiltered. Vegan. Minimal sulphites added at bottling. Bottled under cork and wax."
