TASTING NOTES

Starborough wines have been making their mark over the past 4-5 years with their Sauvignon Blanc and also with their consistently 5 star rated Pinot Gris. Made in the drier style with richness from partial barrel ferment and extended lees contact. It has nice weight and succulence showing excellent fruit intensity and a silken texture.

Winery notes (2026 Vintage)
"A stylish wine with a delicious palate displaying concentrated white and yellow stonefruits, lifted exotic florals, fresh pears and chalky minerals. The wine shows beautiful fruit intensity with silky texture and refreshing acidity, leading to a lingering smooth finish.

The fruit was crushed and following settling the clear juice was racked to stainless steel and fermented using selected yeast at cool temperatures. Fermentation was stopped at 5.4 g/l residual sugar. Before blending, the individual components were left on light yeast lees for three months to build additional texture and creaminess to the palate."

5 Stars & 93/100 Sam Kim, Wine Orbit, July 2026 (2026 Vintage)
"Beautifully fruited and elegantly expressed, the bouquet reveals ripe apricot, Asian pear, green rockmelon, and floral aromas, followed by a succulent palate delivering a silky mouthfeel and bright acidity, finishing long and refreshing. At its

best: now to 2029."

5 Stars 93/100 Candice Chow, CandiceWineChat.com (2026 Vintage)
"This Pinot Gris is rich and complex, dry on the palate, featuring a silky mouthfeel with ripe fruit, spice and deep florals, along with fresh acidity, lending a dry, long finish. Full aromas of poached pear, golden apple, smoky flint, honey, ginger and magnolia."

90/100 Cameron Douglas MS, October 2026 (2026 Vintage)
"Varietal, fruity, a lick of spice then scents of pears and apples, some white quince and leesy clay-earth suggestions. Just dry on the palate with an intense core flavour of white fleshed tree fruits, a whisper of citrus then earth and lees qualities suggested in the bouquet. Balanced and well made with best dirnking from day of purchase through 2029."
