TASTING NOTES

Gold Medal - International Wine & Spirits Competition 2022

Stranger & Sons have teamed up with Four Pillars in Australia to create a limited edition gin like no other! Introducing Trading Tides Coastal Gin, a dry gin distilled in India with Australia botanicals leading the charge.

When creating Trading Tides Limited Edition Coastal Gin they were inspired by the tides and coast that connect them across the Indian ocean, and kept it in mind when they finalised the unique botanical blend for this spirit.

A collaboration from across the sea with botanicals that include Juniper, White Pepper, Anise Myrtle, Lemon Myrtle, Rivermint, Angelica, Liquorice, Coriander, Grapefruit Peel, Mangosteen, Kokum and Tamarind.
