TASTING NOTES

Winery notes (2025 Vintage)

"CriOS was born out of Susana Balbo's love for her children and desire to forge a legacy for her family, helping them navigate their own life journeys with lessons learned from a lifetime of trailblazing entrepreneurship. The iconic symbol of overlapping hands on each CriOS bottle represents the family bond, as well as the transformative power of hands—the ability to connect, cultivate the land, prepare a meal, or craft each wine with love and care. With every bottle that reaches your hands, we aim to share this conviction and passion. In our commitment to quality, we carefully select the finest wine regions in Argentina for each grape variety, nurturing every varietal to enhance its intrinsic characteristics.

CriOS Torrontés is sourced from the highest Andean vineyards, Valle de Uco and Cafayate. It is crisp, refreshing and aromatic, with a bouquet of citrus fruits, passion fruit, lychee and white flowers. Lively acidity, a hint of creaminess and a long, mineral finish add depth and balance to the palate.

Susana is known as the "Queen of Torrontés" for her role in transforming Torrontés from an unknown blending grape into Argentina's star white varietal."
