TASTING NOTES

This single-vineyard cuvée is produced exclusively from grapes grown at Les Folies, a Taittinger-owned vineyard with a south/southwest exposure in the heart of the Champagne winegrowing region. A green harvest ensures that the final harvest has optimum sweetness and aromatic maturity. Only wines from the first pressing are used and each plot is vinified in small volumes, with certain lots in large, old oak casks. Slow aging for five years in bottles brings the flavours of this Champagne to perfect harmony.

5 Stars & Top 10 Cuisine Champagne Tasting, November 2023 (NV)

"A medium colour in the glass, this is a bold Champagne style with aromas of honey and toast along with brioche and hazelnut on the nose. The palate is complex and textured with many elements well integrated. Weighty and persistent."
