TASTING NOTES

Tavernello is Caviro's flagship brand and is the number-one wine brand in Italy. The excellent value of Tavernello comes from combining generations of Italian tradition with modern winemaking techniques. Enjoyed by Italian families for over 30 years, the wines are approachable varietals and blends that celebrate and represent the Italian lifestyle. The exceptional quality and value for money makes Tavernello's wines ideal everyday drinkers.

This thoroughly modern pinot grigio has ripe pear and green apple flavours that sit over a nicely weighted, lightly textural palate that brims with freshness and vitality. Lovely, very well-priced wine.

balanced texture. Served well chilled, it can be enjoyed on its own or as the perfect accompaniment to cold meats, light salads and creamy pasta dishes."

5 Stars & 93/100 Sam Kim, Wine Orbit, August 2024 (2021 Vintage)

"It's finely scented on the nose, showing green pear, crunchy apple, lemon peel and jasmine nuances, leading to a lively palate that's linear and mouth-watering. Elegant yet persistent with excellent structure and poise. At its best: now to 2026."
