TASTING NOTES

Winery notes (2023 Vintage)

"This fresh, mineral wine is made entirely from Pinot Noir and is BioGro certified organic. Hand picked fruit and minimal skin contact ensures a brilliantly pale and clear wine with intense aromas of nectarine, pears and spice. The palate shows fresh stonefruit and defined minerality."

94/100 Emma Jenkins MW, Decanter UK, May 2024 (2023 Vintage)

"Pale, luminous and lithe, this Central Otago Blanc de Noir is made from 100% organic Pinot Noir. With very short skin- contact time, this increasingly popular style is a knife edge between white wine and rosé but its pretty aromatics and minerally bright palate are too good to miss. With stonefruit, nashi pear, citrus and spice notes, there's good fruit intensity and a crisp, dry finish. A silky, refreshing aperitif-style perfect for a warm summer's day."

Reviews for the 2022 vintage below...

5 Stars & 94/100 Sam Kim, Wine Orbit, January 2023 (2022 Vintage)

"Charming and elegantly composed, the wine shows apricot, rockmelon, lemon peel and white floral nuances on the nose. The palate delivers beautifully rounded mouthfeel, together with silky texture and juicy acidity, making it delightfully appealing. Certified organic. At its best: now to 2025."
