TASTING NOTES

Winery notes (2022 Vintage)

"We love Riesling as a variety for its purity, elegance and age ability and believe that our old vines (mostly planted in late 70s) combined with the growing conditions here in Marlborough are capable of making world class Riesling. Our SV (SV5182) Riesling 'D' is a dry style which has excellent fruit weight and concentration to balance the lingering mineral acid structure. This wine is finely structured with great length of flavour.

This wine has gorgeous lifted aromas of jasmine, fresh lemon, and ripe Kaffir lime follow through on to the palate. Flavours of fresh lime juice, lemon sorbet and ripe grapefruit with hints of floral spice are balanced by a fine backbone of ripe acidity. This Riesling is a dry style which has excellent fruit weight and concentration to balance the lingering mineral acid structure. This wine is finely structured with great length of flavour."

5 Stars & 96/100 #1 of 19 from Marlborough, Stephen Wong MW, The Real Review (2022 Vintage)

"A classic nose which unfurls with juicy mandarin, musky spice, and sweet basil— each note soaring higher than the last as it lifts off. The palate is perfectly balanced, oscillating between the spine-tingling acidity, fruit sweetness and mouth-coating concentration. Intense, spicy and stony while being light on its feet, **a masterclass in poise and precision.** Very young but with a bright future ahead."

"One of the secrets to this wine is the fact the grapes come from the oldest Riesling vines in Marlborough, planted in 1979, and the fruit has incredible intensity, which perfectly suits this dry style (3.2 g/l). There was a bit of skin contact in the winemaking mix, plus long lees aging and no fining. We feel there's more than a nod to Australia's Clare Valley in the lime rind and green-apple aromatics. The texture is soft and yoghurt and the overall balance and harmony of the wine superb."

95/100 Emma Jenkins MW, Decanter UK, June 2026 (2022 Vintage)

"Zesty, with lime, mandarin, chalk, a waft of white flowers and a slight toastiness. Tangy richness on the palate with good fruit weight, its citrus fruit woven with juicy acidity and a touch of phenolics. A lighter-framed style with an attractive savoury thread from some of Marlborough's oldest vines, planted in the 1970s. 'D' signifies TWR's dry style, with just 3.2g/L residual sugar."

Rated Excellent & 94/100 Cameron Douglas MS, August 2026 (2022 Vintage)

"A complete wine with a core of tension and youth, aromas and flavours of lime and white peach, fresh red apple flesh and wild spring blossoms. A dry wine with a backbone of acidity delivering tension and hold, there's a fine polished lees quality too adding to the complexity and mouthfeel. Salivating and gently saline, delicious, lengthy and a perfect aperitif example. Best drinking from day of purchase, why wait! and through 2038."

93/100 Erin Larkin, RobertParker.com, Wine Advocate (2022 Vintage)

"The 2022 Riesling 'D' leads on the nose with cut lime and lemon oil, wet chalk and citrus pith, and white flowers emerge on the palate. The vines were planted in 1979 and are the oldest vines in Marlborough. The acidity is dry and fine; it spools through the fruit and is woven as threads through the phenolics. **This is a gorgeous wine**, crystalline and chalky, with three grams of residual per litre."
