TASTING NOTES

Winery notes (2021 Vintage)

"Tettonica means 'tectonics' in Italian. We chose to name our brand Tettonica due to Marlborough & New Zealand's geographical location. Famously centred between the Pacific & Australian tectonic plates, we are situated on land emitting tremendous energy! We love to think that energy emits into our wine.

Vibrant and fluorescent with cherry red hues. Strawberries, watermelon and blueberry danish on the nose. Fresh strawberries, guava and watermelon on the palate on entry, fine tannins progressing to a savoury finish. Subtle herbaceous notes. Campari-esque. Lightly effervescent. Dry with medium acidity."
