TASTING NOTES

Winery notes (2023 Vintage)

"Tettonica means 'tectonics' in Italian. We chose to name our brand Tettonica due to Marlborough & New Zealand's geographical location. Famously centred between the Pacific & Australian tectonic plates, we are situated on land emitting tremendous energy! We love to think that energy emits into our wine.

Our Pinot Nouveau is your classic chilled red. Super fruity, vibrant and easy drinking for those warm days and evenings. It's all cherries, strawberries and raspberries with some beautifully soft floral jasmine notes.

Produced using destemmed whole berries, which underwent natural fermentation. We poured the juice over by hand, without any pump overs or plunging. Fruit was foot crushed then basket pressed to tank. Wine was then racked by gravity twice then bottled unfiltered and unfiltered. Hand bottled by us. No added sulphites. Vegan friendly."
