### TASTING NOTES

This reserve bottling from The Crater Rim is produced only in the very best vintages, and 2021 is certainly one of them. The quality here comfortably exceeds its price point, with depth and polish that would justify a much higher tag.

**At this level, the value is extraordinary. At this price, it's almost too good to be true.**

With a few years now in bottle, this really is developing into a special wine showcasing all we love about North Canterbury Pinot Noir; savoury, forest floor and mushroom notes entwined with dark berry fruits and a lovely layer of spicy oak, finishing with perfectly integrated tannins. An absolute treat of a wine, especially at this price point.

### Winery notes

Explore a World of Wine

---

(2021 Vintage)

"The fruit for the Pinot Noir Reserve is a mixture of premium sites across the Waipara Region. The vines are low cropped and sustainably managed to provide fruit of great flavour depth, structure and integrity.

The fruit is fermented in small open top fermenters then gently pressed into new (~30%) and seasoned French oak. The wine is then aged for 15 months. The Waipara Reserve is a selection of the best barrels across our finest vineyards. The wine is bottled without fining or filtration."

---

**5 Stars & 95/100 Sam Kim, Wine Orbit, July 2025** (2021 Vintage)

"Wonderfully fruited with seductive complexity, the wine shows dark berry, earthy mushroom, game, thyme, and roasted nut characters on the nose. It's concentrated and beautifully flowing in the mouth, offering a richly textured mouthfeel and beautifully melded tannins. Wonderfully harmonious and multi-layered with a sustained, velvety finish. At its best: now to 2033."
