TASTING NOTES

Winery notes (2024 Vintage)

"Deep red and dark berries, dry yet fruit forward with soft tannins. Mulberries, red currants, crème de cassis and old-fashioned raspberry notes present a French nouveau style wine - dangerously thirst quenching when lightly chilled and smoothly moorish at room temperature. "La Carbonique" is a first for our Assistant Vigneron Margaux Demalle who wished to produce a wine to be enjoyed now.

A 100% carbonic maceration Pinot Noir, protected by dry ice with skins fully in tact for 14 days, and a further 7 days following a gentle foot-stomp to release some juice bringing a total of 22 days on skins. The wine was then pressed and returned into stainless steel tanks, cold stabilised naturally in July and bottled on November 6, 2024. The wine is not fined or filtered, with minimal SO2 added to ensure the wine's stability and to preserve the its pure, fruit-driven character."
