Trinity Hill The Gimblett is one of our favourite Hawkes Bay Bordeaux variety blends. This label always offers plenty, even more from the outstanding 2021 vintage, and we consider it to be incredible value. Cabernet Franc and Cabernet Sauvignon make up the majority of the blend this year and followers of the label will be well pleased as it has all the depth and richness we have come to expect. This will age beautifully so get some into your cellar today!

Winery notes (2021 Vintage)

"A creative blend of 50% Cabernet Franc, 46% Cabernet Sauvignon and 4% Petit Verdot. Since 2005, "The Gimblett" has typically been a blend of Cabernet Sauvignon, Cabernet Franc, Merlot, Petit Verdot and Malbec, in varying proportions, depending on the strengths of the vintage. Thanks to a favourable growing season, the 2021 release is made almost entirely from the Cabernet family, with a small amount of Petit Verdot adding further complexity and interest.

The beauty and perfume of Cabernet Franc is complimented by the sophistication and refinement of Cabernet Sauvignon, and the colour, spice and structure of Petit Verdot. A beautiful violet fragrance precedes complex aromas of brambly blackcurrants and blackberries, intermingled with hints of dried herbs, fresh cedar, anise, sweet spices, vanilla, and toast. There is excellent concentration and purity of flavour on the palate with a vibrant core of black fruit flavour wrapped in sheath of cedary, toasty oak. Fine-grained tannins and juicy acidity combine to produce a succulent, supple, and textural wine with the structure and capacity to develop further complexity over the next 10 years."

96/100 Judges Comments, Decanter World Wine Awards 2023 (2021 Vintage)

"Mouthwatering notes of ripe raspberry, roasted plum and coffee with a savoury, herbaceous edge; firm and robust with a cleansing acidity and an impressively long finish."

Rated Outstanding & 95/100 Cameron Douglas MS, July 2024 (2021 Vintage)

"Deep reds and magenta hues lead to a bouquet of power and complexity, core aromas of dark cherry and boysenberry, layers of wood spices and dried herb, some sweet cigar box moments and dried earth qualities. Rich in texture and flavour as the wine touches the palate, flavours of dark berries with some meaty tones, firm tannins and bold acid line. Youthful and intense, a wine destined to age with best drinking from 2027 through 2037+."

94/100 Gary Walsh, The Wine Front, June 2024 (2021 Vintage)

"Black fruit, ripe raspberry, red capsicum, floral too. Juicy, dark fruit, redcurrant, some herbal frisson, tannin is good, quite grainy chocolaty tannin, with a finish of good length. A lot of interest here, and very good to drink."

Rated Excellent, 5 Stars & 93/100 NZ Wine Rater, August 2022 (2021 Vintage)

"Very impressive, deep, purple-black hue. Lifted, fragrant bouquet with aromas of blackcurrant, blackberries and boysenberry with notes of star anise, seaweed and cigar box, cedary oak. Youthful, plush with a powerful core of fruit, generous texture, good weight and layers of firm tannins promising a long life ahead."

5 Stars Yvonne Lorkin, October 2022 (2021 Vintage)

"The way that winemakers Warren Gibson and Damien Fischer have evolved this blend over the last decade or so has been super-exciting to see, particularly as the proportion of cabernet franc is now sitting at 50%. The remainder of the blend consists of cabernet sauvignon and petit verdot and it's a very pretty wine indeed. Erupting with dried herbs, blueberry, concentrated pepper and leather layers, then unfurling hints of dark berries, freshly turned earth alongside meaty, muscular tannins, the mouthfeel is warming, woolly, soaked in soy and black olive and finishes with a suede-like consistency."

4 ½ Stars & Top 10, Cuisine NZ & International Bordeaux Varieties Tasting, June 2023 (2021 Vintage)

"An energetic and youthful wine with high-toned cassis and dark fruit, and tomato-leaf aromas on the nose. The palate is juicy and focussed by the steely thread of acid that runs throughout with young generous tannin and a long satisfying finish."
