TASTING NOTES

Distillery notes

"Twelfth Hour Distillery was born from our desire to fuse fresh, tantalizing, exotic botanicals from around the globe with premium New Zealand gin. Small batch distilled with exotic makrut (kaffir lime) for a revitalising taste, Twelfth Hour Dry Gin is made by our group of friends for you to share with yours - whether they are in New Zealand or any other corner of the world.

After 22 iterations uniting global botanicals with the powerful makrut (kaffir lime) Twelfth Hour Dry Gin has a clean, crisp aroma on the nose. An initial hit of makrut on the tongue leads way to a long dry finish that sees the revitalising taste linger on the palette."

Sarah Miller, drinksbiz Magazine, October / November 2024

"Kaffir lime (makrut) grown by the mother of Twelfth Hour's Master Distiller in her home garden is at the heart of this fresh gin. It has a clean, crisp aroma and an initial hit of makrut on the palate, leading to a long dry finish. Vibrant and refreshing."
