### TASTING NOTES

#### Winery notes (2021 Vintage)

"This single vineyard Sauvignon Blanc is from our Saint Maur Vineyard in the Southern Valleys and is a true expression of the land. Aromas of almond, citrus, lemon thyme, green olive. On the palate, lemon, salt, cream, textural, finely structured, focused.

With minimal intervention winemaking, this Sauvignon Blanc was naturally fermented and aged for 12 - 18 months on yeast lees in concrete egg tank and clay amphora. Unfined and unfiltered with low sulphur, the wine was then aged in bottle for a further 12 months before release."

Reviews for the 2020 vintage below...

#### 5 Stars Michael Cooper (2020 Vintage)

"Full of personality, the 2020 vintage is a striking, single-vineyard wine. Harvested from 20 year-old vines, it was fermented with indigenous yeasts, lees-aged for 12 to 18 months in a concrete egg tank and clay amphora, and bottled unfined and unfiltered. Bright, light lemon/green, with a highly fragrant bouquet, it is mouthfilling, with concentrated, ripe, tropical fruit

---

flavours, still very fresh and vigorous, good acid spine, impressive complexity and a long, dry finish. A tightly structured, thought-provoking wine, it should be at its best mid-2023+."

---

**5 Stars & 96/100 Sam Kim, Wine Orbit, December 2022** (2020 Vintage)

"Exquisitely composed and elegantly complex, the wine shows white flesh stone fruit, lemon sorbet, oatmeal and wet limestone nuances on the nose, leading to an impressively concentrated palate displaying richly textured mouthfeel combined with bright acidity. Sophisticated and engaging. From the Southern Valleys district. At its best: now to 2032."
