TASTING NOTES

Brewery Notes

"It's time to turn on, tune in and take a sip of this sweet leaf elixir, a crushingly delicious IPA with passionfruit, strawberry, citrus and white grape notes from the Mosaic Cryo, Strata CGX and Nelson Sauvignon hops we've added to this brew. The aromatics reach the next dimension with the addition of 'Maui Wowie' Terpene Oil from our pals at Medleaf, which bring layered notes of sweet pineapple, mango and tropical fruit to the party - get loud!"
