TASTING NOTES

Brewery notes

"Sit back and RELAX - this beer is serving up 'Summer Vacay' vibes with every sip! Charging aromas of fresh tropical citrus splash forward with notes of grapefruit, lemon and pineapple bringing a bright and brilliant zest to this ultra-juicy hazy IPA. Using all Aotearoa hops, a light malt bill and loads of creamy oats, we've brewed an easy-drinking beer with huge fruit salad aromatics and a smooth finish."
