TASTING NOTES

A bright and charming Chardonnay from one of Australia's leading experts in the grape. This wine is both delicious in itself and an accessible look of the Voyager style. The essence of Margaret River Chardonnay grown from their certified organic coastal vines. Vibrant fruit characters are brushed with nuances of butter and toast underpinned by a cool, maritime minerality. A classy wine for this price, the Coastal Chardonnay is well worth a try.

Winery notes (2023 Vintage)

"The essence of Margaret River Chardonnay grown from our certified organic coastal vines. Abundant ripe fruit flavour but with a delicate citrus line throughout. Eminently drinkable, with an ease and breeze that suits any occasion.

Aromas of ripe yellow peach, hint of vanilla, light flinty notes. Soft, generous, fresh acid line, toasty complexity on the palate.

Estate grown vineyards make up this blend, predominantly from Gingin clone, providing a backbone of grapefruit. Parcels of fruit were pressed and settled overnight prior to fermentation in concrete and French oak puncheons. Subsequent bâtonnage and maturation over six months added further complexity and texture."

92/100 James Suckling (2023 Vintage)

"Notes of cooked lemons and ripe apricots with hints of beeswax, praline and honeysuckle. Fresh and chalky with medium to full body and crunchy stone-fruit character in the middle. Sleek finish. From organically grown grapes. Sustainable. Drink now. Screw cap."
