### TASTING NOTES

An English craft distilling company specialising in small-batch artisan gins. Warner Edwards operates from a 200-year-old barn on Falls Farm in the village of Harrington, Northamptonshire. It uses the farm's natural spring water in its spirits.

#### Distillery notes

"Complex nose, with floral citrus and spice, followed by the unmistakable fragrance of fresh elderflower. The palate has a rich, velvety texture. Spice at the beginning, then notes of vanilla, nutmeg, and cardamom, with just a hint of chocolate. Following this are some full fruit and floral notes, including elderflower and citrus blossom. It finished clean, with a pleasant mix of dry juniper and a light sweetness."

#### drinksbiz Magazine, October 2020

"A delicate expression of Warner Edwards rural farm distillery in the UK, this gin is infused with fresh elderflowers. These are handpicked on the property and go from field to bottle in just a few hours. A balanced gin that is smooth, sweet and delicately fragrant with summer elderflower."
