### TASTING NOTES

#### Winery notes (2024 Vintage)

"Bright, textural stuff from old, unirrigated bush vines in the Coastal region grown on sandy soils over granite bedrock.

Chenin is the backbone grape varietal of South Africa; it's the most profusely planted variety in our country and is closely associated to our wine-making identity. To capture the true sense of place and terroir, we've made this wine a 100% unoaked Chenin Blanc. Fermenting only in stainless steel ensures the freshness, character and liveliness of the wine is maintained. To tame some of this energy and add more complexity and depth to the final wine, it was kept on its fine lees for approximately nine months. This also adds to the lush mouthfeel and keeps the wine fresher for longer.

Ripe peach and tropical fruit on the nose with fresh citrus notes. Honeyed and textured on the palate with crisp acidity and hints of honeydew melon and lychee leading to a bright, zesty finish with fresh lemony acidity."
