TASTING NOTES

It's great to try something new and this beer is much easier to try than what Dunedinite Glenn Sutton is about to. Next week he is competing in the most demanding and extreme running race offered anywhere on the planet, the Badwater 135. You need a little bit of crazy to do that, as does this beer that has been brewed in Glenn's honour.

Brewery Notes

"There's earning a beer, and then there's EARNING a beer. We brewed this naturally sweet and refreshingly tart raspberry sour as a show of support for ultra-endurance runner Glenn Sutton. He's competing in the Badwater 135. A non-stop, 217km event through the heart of Death Valley, in the middle of summer. It's thirsty work just thinking about it!"
